

REEL VM 400/127-316

07 General reels, 09 VM - reels

Reusable

Winding material : bare wires, data cable, power cables, Extruded cables

Material : ABS

Standard winding volume : 28061 cm³

Central bore Ø : 127 mm

Catalogue categorization: 07 , 09

DIN 46395

TECHNICAL DATA - SPOOLS

Spools

Important:

If pallet packaging is indicated, this is the preferred method of packing the spools. Please note that the pallets must not be stored in direct sunlight, as the heat build-up may cause the plastic to warp permanently.
