Container VB 400/630	1	11.0	77x52x53	10	102	110x120x165

Designation	Cardboard box	Cardboard box weight	Cardboard box Outside Deminsions	Pallets	Pallet weight	Pallet's external dimensions
	piece	kg	cm	piece	kg	cm

**Important:**

If pallet packaging is indicated, this is the preferred method of packing the spools. Please note that the pallets must not be stored in direct sunlight, as the heat build-up may cause the plastic to warp permanently.
